## Full-Stack Software Engineer | Lead UI Developer | Mentor

*Currently looking for new directions and opportunities to continue growing professionally.*

- **Self-motivated with a strong will to learn** to keep up to date with market trends.
- **Innovative software engineer** regarding web scalability, performance, and security.
- **Proficient in advanced development methodologies**, tools, and processes.
- **Skilled in writing** clean, testable, maintainable, high quality code.
- **Experienced in team leadership**, balancing technical expertise and emotional intelligence.
- **Demonstrated excellent communication skills**, both verbal and written.
- **Known for excellent troubleshooting skills** – able to analyze code and engineer well-researched, cost-effective, and responsive solutions.

---

## Skills

**Methodologies:** Agile | Scrum | Kanban | Waterfall | Incremental | UML

**Development:** OOP | MVC | MVVC | OOCSS

**Languages:** HTML5 / XHTML | CSS3 / SASS | JavaScript | TypeScript | PHP | Java | C++ | Python

**Frameworks:** React | Gatsby | Next | Angular | Node | Express | Webpack | Code Igniter | Django | WordPress | Drupal

**APIs:** RESTful APIs | GraphQL | Google APIs | Twitter API | Epsilon API | Brightcove API | Hubspot API | Mailchimp API

**Libraries:** jQuery | Redux | GreenSock / GSAP | Bootstrap | Material Design | Lodash | Foundation | TailwindCSS | Styled-Components | Scroll Magic | Three.js | Axios

**Databases:** SQL | MySQL | NoSQL | MongoDB

**Version Control:** Git | GitHub | BitBucket | SVN | CVS

**Code Deployment:** AWS CodeDeploy / CodePipeline

**Test-Driven Tools:** Jest | Cypress | Karma | Jasmine

**Bug Tracking Tools:** Jira | BugHerd

**Servers:** Apache | AWS EC2 / S3

**Software:** Adobe CC Suite | SketchUp | Microsoft Office Suite | Postman | FileZilla | Bitwise

**IDEs:** Visual Studio Code | Atom | WebStorm | PhpStorm | Eclipse | Sublime Text

**Spoken Languages:** English | Spanish (Native)

## Professional Experience

**Senior Software Developer**, Jun 1996 to Present – [Freelancer](#), America/Europe

Worked over 2 decades in software development using latest technologies to build user-friendly products and interfaces for companies in South America, North America, and Europe for

international brands like Coca-Cola, Nestlé, Beiersdorf, Nextel, Kimberly-Clark, among others. Review some of my previous projects [here](#).

### **Latest Side Projects:**

- Tweet Feed - <https://github.com/VictorFajardo/tweet-feed>  
*React - Redux Toolkit - Node - Express - Styled-Components - Axios - Lodash*

### **Software Engineer / Senior Lead UI Developer**, Jul 2019 to Present – [WUNDERMAN THOMPSON](#), Washington, DC

Lead developer, defining data architecture, designing, developing, testing, deploying, and maintaining several high-traffic responsive websites, interactive experiences, rich media banners and user medical tools for pharmaceutical companies like Pfizer, Merck, Johnson & Johnson, Boehringer Ingelheim, Kaiser Permanente, among others. Worked in a fast-paced work environment delivering cutting-edge technology products using modern frameworks like TypeScript, React, GraphQL, and Node.js, with a pixel-perfect level of detail and commitment.

### **Achievement Highlights:**

- Received the “Matt Reese Employee of The Year Award” for innovation, excellence, and leadership.
- Contributed software engineering expertise in the planning process of products and services through the software lifecycle.
- Assumed the leadership and management of the development department (frontend and backend teams) as interim director after the departure of our former director.
- Assigned task and projects to developers based on abilities and experience. Cultivated a one-to-one professional relationship with team members to help them to grow professionally.
- Participated in client meetings translating technical issues into easy-to-understand solutions, achieving agreements with clients based on cost-benefit decision making.

### **Featured Projects:**

- Pfizer Discovery Center - <https://www.pfizerdiscovery.com/>  
*React - Redux – Typescript - Three.js - Material Design - Bootstrap 4 - Brightcove API*
- Exploring Kaiser Permanent - <https://exploring.kaiserpermanente.org/>  
*React - Redux – Typescript - Three.js - Material Design - Bootstrap 4*
- Understanding ILD Progression - <https://www.lungsandyou.com/ild-progression/>  
*Angular 8 – typescript - Custom Made Animate Engine - Bootstrap 4*
- Lungs & You® - <https://www.lungsandyou.com/>  
*PHP - Angular - REST APIs - Google Maps API - Brightcove API*
- OFEV® - <https://www.ofev.com/>  
*PHP - Angular - REST APIs - Brightcove API*
- Innovation.org - <https://www.innovation.org/>  
*Drupal - jQuery - Bootstrap 3 - YouTube API - Hubspot API*

### **Senior Web Developer / Lead UI Developer**, Dec 2016 to Jul 2019 – [WUNDERMAN THOMPSON](#), Washington, DC

### **Achievement Highlights:**

- Mentored entry and mid-level developers, preparing them to take an active participation of the development of the department projects. Trained new department members to integrate them to our development process.
- Facilitated customization of systems by encouraging development team to adopt high level standards for software application development, architecture, continuous deployment, innovative frameworks, modern IDEs, and tools.
- Interviewed candidates to the department based on the demands of the position and the incoming projects to be developed.

**Web Developer**, Nov 2014 to Dec 2016 – [WUNDERMAN THOMPSON](#), Washington, DC

***Achievement Highlights:***

- Introduced methodologies and best practices that enhanced product definition, release processes and customization of applications to client needs creating products of undemanding scalability and facile maintenance.
- Created quality standards for the development of banners and rich media banners that were later adopted by other branches of the company. Contributed with my experience in the process of conceptualization and brainstorming of banner campaigns.

**Web Developer**, Oct 2014 to Nov 2014 – [PRECISION STRATEGIES](#), Washington, DC

**Web Developer**, Sep 2014 to Oct 2014 – [GRAFIK](#), Alexandria, VA

**Web Developer**, Oct 2014 to Nov 2014 – [MARCOM GROUP](#), Fairfax, DC

**Production/Web Director**, Nov 2009 to Apr 2011 – [PURPL](#), Nashville, TN

**Web Developer**, Mar 2008 to Oct 2009 – [INQUBA AGENCIA INTERACTIVA](#), Lima, Peru

**Web Developer / Content Creator**, Jun 1996 to Jul 2003 – [YUPI / CIUDAD FUTURA](#), Miami, FL / Madrid, Spain

Developed content related to Video Games: Articles, News, Tools, and Guides, among others.

---

## Education

2018 - NORTHERN VIRGINIA COMMUNITY COLLEGE – Annandale, VA

**Computer Science | Associate of Science – AS**

**Phi Theta Kappa Honor Society**

2004 - UNIVERSIDAD MAYOR DE SAN MARCOS – Lima, Peru

**Electronic Engineering | Bachelor of Engineering – BE**
